Woodbury County Conservation, Attn: Theresa Kruid
4500 Sioux River Road, Sioux City, IA 51109

-- We're sorry, but telephone & email registrations cannot be accepted.

Registrations are accepted in the order in which we receive them. This determines the order in which campers fill our available spaces. Please do not mail registration early; we will accept them **starting with postmark date of April 3rd as the earliest date**. These will then be dated and all mail will be opened in the order we received it.

Due to the popularity of our camps:

1. There is no guarantee that space will be available, even if you are a member.
2. Each child may attend one camp. If there are still openings available after May 15th you may register for additional camp sessions.
3. Please be patient with us, we register nearly 350 campers.

General Information Continued:

Confirmation: A confirmation email will be sent after each registration form is processed. Reminder emails will also be sent prior to your child's camp. (We will not share your email address)

Cancellations: If a camper must cancel their reservation, please notify us as soon as possible. This allows us to possibly fill the space from our waiting list. The \$20 deposit is not refundable. The balance of the registration cost is refundable with 7 days or more notice.

Scholarships: The Woodbury County Conservation Foundation provides a limited number of scholarships. For an application check the website at www.woodburyparks.org or email Theresa Kruid at camps@woodburycountyiowa.gov. These are based on availability and need.
