## NATURE CENTER TOURS

Bring your group to the Nature Center for a guided tour led by one of our naturalists. Tours last 1-2 hours and include a tour of the Nature Center, a guided hike, and an optional educational nature program of your choice. Limited to 30 participants.

## VIRTUAL PROGRAMS

Many of our programs can be presented virtually. We can connect with your group via Zoom or Microsoft Teams. We also have pre-recorded videos available on our YouTube channel.

## PRICING

- \$1/person, \$15 minimum
- Raptor Programs—additional \$35
- Programs with crafts will be charged for materials.
- Mileage fees for outside Woodbury County may also be included.
- Cash or check is preferred.

## ACCESSIBILITY

We strive to create memorable experiences in nature for everyone. Let us know if your group needs special accommodations and we can create a program that best fits the needs of your group.

There is a paved wheelchair accessible trail at the Nature Center .

## OUR BACKGROUND

The Woodbury County Conservation Board has been offering quality educational programs since 1988. Our professional staff is committed to providing positive and educational activities to engage your clients in new environmental discoveries. Our programs are designed to provide quality interactive experiences to encourage a life-long interest and appreciation of the outdoors. We invite you to visit one of our outdoor areas or have us visit your location for an educational program.

Our main offices are at the **Dorothy Pecaut Nature Center** (DPNC) which is a popular choice for tours and visits. DPNC has interactive exhibits indoors and incredible woodlands and Loess Hills prairies outdoors. Other well-liked locations for programs include:

**Brown's Lake/Bigelow Park, Snyder Bend Park, Southwood Conservation Area, Fowler Forest Preserve and Little Sioux Park.**
